Hi Jeanne and Dan –

I hope you can forward to Mitch. I don't have his private email. Nice article by Steve Lopez – it will be good for The Center. I talked with him for about an hour on Friday and was able to plant some other seeds for future columns. I am so glad he recognized your office for facilitating this renovation that is nearing the final stretch.

I walked through the building on Wed, and it is truly amazing. Thank you SO VERY much.
